Un Peuple - Un But - Une Foi

Dear partner,

Save the the date !! 17th and 18th december 2018 : SENEGAL CONSULTATIVE GROUP

Senegal has made substantial economic progress since the implementation of the « Senegal Emerging Plan » (PSE). In fact, his economy has, over the past three years, been ranked among the most successful (ou efficient) in Africa. To enforce these good economic prospects, the Government has just adopted the second Priority Action Plan (PAP 2019-2023), which will guaranty an average economic growth rates of more than 8% per year.

Thereby, the Government of Senegal is organizing, **on December 17th and 18th 2018, in Paris (France), a consultative group to fund the second stage of the PSE, under the effective chairmanship of His Excellency Mr. Macky SALL, President of the Republic.** This meeting will bring together institutional donors as well as national and international private sector investors, a chance to discuss about strategic targets and structuring investments modalities over the period 2019-2023.
